

Parkway South Band Boosters
801 Hanna Road
Manchester, MO 63021

Fall 2009

Dear Business Partner,

Thank you for considering the Parkway South High School “Spirit of ’76” Marching Band as a candidate for your community-based giving. Your donation is an investment in our children’s future.

On November 5th the Band will be holding their 6th annual Dinner with the Band. This fundraiser will be held at the Red Robin restaurant on Manchester Road and will include a silent auction. We will be raising funds to support the band program; specifically the multiple off campus events the band will be participating in this year. The “Spirit of ‘76” Marching Band performs at the Parkway South home football games and participates in competitions held at the Edward Jones Dome and at schools throughout the State. The band consistently earns rankings in the top three at these events. Your donation to the silent auction will allow this wonderful program to continue to provide opportunities for our students to develop their musical skills as well as to learn the skills needed to compete as a member of a highly respected organization such as commitment to the team, dedication and practice.

Donations to the Parkway South Band program are tax deductible, the Federal Tax ID Number will be provided on the donation form. All donors will be recognized. Donations can be mailed to Parkway South Band Boosters c/o Tracy Siegel 834 Wheelwright Drive Manchester, MO 63021. For questions or additional information please call 636.230.7130 or email thesiegelfamily@hotmail.com.

Thank you for your support.

Sincerely,

Tracy Siegel
